Subject  
Missing numbers on patent application

Dear sirs

In my hast I forgot to include the application number on the corrections I sent in that you should have received on or about Dec. 26 or 27 The correct application numbers are (10/656,852) The application should go to Alvin Chin Shue (all dues are paid)

Thank you for your understanding in this matter

Sincerely

Allen H. Fletchall

That application was not a new subject matter It has been in limbo for some time ,

*I am writing to you in case  
your office has not figured out  
the mess I have caused  
I am truly sorry.*
